We have created the following cancellation/rescheduling policy in order to protect the large blocks of valuable time that each practitioner allows for every patient visit. We also wish to be fair to those people on waiting lists who would like an appointment. Please read the policy carefully so there will be no misunderstanding, and sign the agreement below in order to confirm your appointment.

- **There is a 72 hours (3 day) Cancellation or Rescheduling policy.**  
The 72 hours includes business days only, and excludes the weekends, so that a Monday appointment needs to be cancelled by Wednesday.
- **We reserve the right to charge your credit card the full amount of the visit if it is not canceled or rescheduled before this 72-hour deadline.**

Please provide your credit card information so that we can schedule your appointment. We accept Visa, MasterCard, and American Express (please circle your choice). Note: This info will only be used to reserve the appointment, it will not be used for the actual medical visit..

***Notice for Patients Traveling by Airplane/Train for an Appointment***

If you are traveling to see us from out of town, we suggest waiting to purchase your plane/train ticket until 45 days prior to your appointment. At that time, just give us a call, reconfirm your appointment, and then purchase your ticket. While we do our best to avoid moving people, it is sometimes hard to prevent unexpected interruptions in our practitioner schedules. For this reason, if you are coming from out of town, please plan to stay in the area for a few days, to give us the greatest flexibility if something comes up, and also to bring you back for testing the following day if needed.
