Notice for Patients Traveling by Airplane/Train for an Appointment

If you are traveling to see us from out of town, we suggest waiting to purchase your plane/train ticket until 45 days prior to your appointment. At that time, just give us a call, reconfirm your appointment, and then purchase your ticket.

While we do our best to avoid moving people, it is sometimes hard to prevent unexpected interruptions in our practitioner schedules. For this reason, if you are coming from out of town, please plan to stay in the area for a few days, to give us the greatest flexibility if something comes up, and to bring you back for testing the following day if needed.
