

Mentorship Program Schedule and Pricing

2018 General structure:

Dr. Blum is available for the Mentoring Program each week on Tuesday, Wednesday and Thursday. You are welcome to spend 1, 2 or 3 days with us, and you can choose the day. The Mentorship fee is \$1000/day.

Tuesdays and Thursdays: 9:30 – 5:30 patient consultations. Sit in with Susan Blum, MD, or other Blum physician (if desired) based on clinical case schedule that day.

Wednesdays:

9-1: Dr. Blum does not see patients on Wednesdays. This is a flexible morning depending on your interests and can be planned in advance or once on site.

The following options can be combined into a varied morning:

- See patients with one of the other practitioners
- Practice Management: time with admin or support staff
- Weekly PR/Media meeting with Dr. Blum. Learn about ongoing marketing and PR activity.

1-3 PM: Join the weekly medical meeting with the team and Dr. Blum, to review cases, discuss protocols, and new programs. This is a great learning opportunity.

3-5 PM: Dedicated time with Dr. Blum to review the time together and answer any and all questions.

Additional Options:

We offer programs and classes in our BlumKitchen throughout every month, including cooking classes and pantry makeovers. You are welcome to include these at no charge, if your visit coincides with these scheduled events. Our calendar is planned for months in advance, therefore you are welcome to plan your visit around these classes if desired.

Accommodations:

For out-of-town guests, we have a Blum Center rate at Doral Arrowwood Resort and Conference Center, 10 minutes away. We can help with reservations, or you can call directly 212-939-5500 and identify yourself as our guest.
